Paris

Paris intrigues, astonishes, overwhelms and ultimately forges a place in your heart. Paris – where the Seine weaves through the city's heart, with the Right Bank's tourist attractions and the Left Bank's carefree bohemian lifestyle.

The classical attractions of Notre-Dame, the Eiffel Tower, Arc de Triomphe and Sacré-Coeur are now supplemented by more daring structures like the Louvre's Grande Pyramid, Musée d'Orsay and the 'inside-out' Pompidou Centre. Paris with its elegant boulevards, charming cafés, glamorous boutiques, fine dining and romantic visions is the perfect city to follow in the footsteps of artists, philosophers, and lovers...
